

(q) Window Treatments. All windows in Units must have window treatments. The color of all window treatments visible from outside the Unit must be white or off-white. Bed sheets shall not be used as window treatments.

(r) Antennas and Satellite Dishes. Except as provided below, no satellite dish, antenna or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained on any portion of the Regime, including the Unit or Limited Common Elements; provided, however, the Association shall have the right to erect, construct and maintain such devices. The following shall apply to all Owners:

(i) No transmission antenna, of any kind, may be erected anywhere on the Regime, including the Units, without written approval of the Board of Directors or the Architectural Control Committee.

(ii) No direct broadcast satellite (DBS) antenna or multi-channel multi-point distribution service (MMDS) antenna larger than one (1) meter in diameter shall be placed, allowed or maintained upon the Regime, including the Units and the Limited Common Elements.

(iii) Subject to the last sentence of this subparagraph 14(r), DBS and MMDS satellite dishes or antennas one (1) meter or less in diameter and television broadcast service antennas may only be installed in accordance with Federal Communication Commission (FCC) rules and the rules and regulations of the Association, and only if and to the extent such rules mandate that such dishes or antennas be allowed, both as may be amended from time to time. In such event, to the extent permissible under the FCC rules and regulations, (A) such satellite dishes and antennas shall not be located above a line 3-feet (3') from the floor of the balconies or outside of the balcony railings, (B) such satellite dishes and antennas shall be in a uniform color designated by the Board of Directors or Architectural Control Committee, and (C) the Board of Directors or Architectural Control Committee may designate and restrict the specific location and color of such satellite dishes and antennas. To the extent that any of the foregoing subsections (A) through (C) is not permitted under the FCC rules and regulations, the remaining portion of this subparagraph 14(r) shall survive independently to the extent permissible under the FCC rules and regulations.

In the event of a transfer of the Unit which includes a satellite dish or antenna, the grantee shall assume all responsibility for the satellite dish or antenna and shall comply with this Master Deed, the Bylaws and the rules and regulations regarding satellite dishes and antennas, including, but not limited to, those requirements relating to maintenance and removal of satellite dish or antenna.

(s) Grilling. The use of outdoor grills other than electric grills on any portion of the buildings, including, without limitation, the balconies and porches, is prohibited; provided, however, Owners and Occupants are permitted to use grills located on the Common Elements that were provided by Declarant or the Association, if any.

(t) Abandoned Personal Property. Personal property, other than vehicles as provided for in subparagraph (i) shall not be kept, or allowed to remain for more than twenty-four (24) hours upon any portion of the Common Elements, other than on a Limited Common Element, without prior written permission of the Board of Directors. If the Board determines that a violation exists, then, not less than two (2) days after written notice is placed on the personal property and/or on the front door of the property owner's Unit, if known, the Board may remove and either discard or store the personal property in a location which the Board may determine and shall have no obligation to return, replace or reimburse the
